

Alert

Outline the Scene	Incident	Anti-Social Dogs Around Waiata Shores & Homai
	Subject	Anti-Social Dogs
	Radar Reference	INCID-0075877
	Business Unit	Fletcher Residential - South

What happened?

HOMAI - One of our team members was accompanying a visitor to site when they were approached and subsequently chased by a barking dog that was displaying aggressive behaviours.

WAIATA SHORES – Residents have reported instances of aggressive dogs, including one biting a pedestrian.

Making a Complaint to Auckland Council About a Dangerous Dog

Phone: 09 301 0101

Or Report Online: <https://www.aucklandcouncil.govt.nz/dogs-animals/problems-dogs/Pages/make-complaint-about-dog.aspx>

We believe all injuries are preventable, here are some key actions we have taken

- Show Homes and Site Compounds have been equipped with citronella dog deterrent spray and dog repellent that produces a high pitch frequency.
- All FRL staff and contractors have been informed to take extra care and report any sightings to FRL and Animal Control.
- Animal Control have been contacted at the time of each incident and full details have been provided to assist them in identifying the dog/s.
